

Call for Papers and Posters

*Closing date 5th June 2017

Diversionsal & Recreation Therapy Australia**

2017 National Conference

“Innovation and Expectation”

6th & 7th October 2017 (with preconference workshop day on day prior)

In Brisbane, Queensland

*** NB: Diversionsal & Recreation Therapy Australia (DRTA) is a new trading name of Diversionsal Therapy Australia to underscore the inclusion of all aspects of diversional therapy and therapeutic recreation in the organisation.*

Diversionsal & Recreation Therapy Australia invites abstracts from diversional therapists, recreation therapists, recreation activities officers, health professionals, academics, researchers and students. DTA are seeking papers from a broad range of practice areas that reflect the conference theme “Innovation and Expectation”. Papers should lead and inform delegates how diversional therapy interventions contribute and impact on the wellness of individuals, groups and client populations.

Guidelines for abstract submission

Authors are encouraged to submit an abstract for consideration by the conference committee. Abstracts will be accepted by email until 6th June 2017. Submissions may be accepted after this date with special prior arrangement. As part of the submission process authors are asked to indicate the presentation type they are interested in:

- Paper - traditional oral presentation, 45 minutes
- E-Poster - visual display as rotating powerpoint of all poster entrants
- Leisure bite - introduction of a concept, or brief activity 15 minutes
- Practical session - oral/interactive presentation, 45minutes

A separate set of guidelines will be provided to those authors whose abstracts are accepted and these will vary depending on the presentation type. NB there may be some changes to presentation types described.

Subthemes

The following subthemes have been defined to assist authors when preparing their abstract:

- Innovation to excite and empower; Reimagine the possibilities
- Expectation – what clients want; Lifestyle and CDC- our time has come
- Leadership and evidence based practice; Forging a new path
- The experience of working in the leisure and health field across different industries; Challenging preconceptions

Format Required – use this format for your Abstract

- The abstract should be a summary of the material that is to be presented at the conference
- **Microsoft Word** format
- Arial 12 pt font, **single spaced** type
- Abstract should be **no longer than 400** words

Title and author details

- Title of paper
- Presentation type
- Indicate the subtheme that best reflects your presentation
- Author's full name and title
- Qualifications or course of study
- Current position and employment details
- **Contact details including phone, postal and email address**

Abstract submission

Abstracts should be submitted electronically via the DRTA office to:

Conference Convenor, c/- margie@diversionaltherapy.org.au by Monday 6th June 2017

Selection and notification

Criteria for selection will include originality, clarity of presentation, relevance and professional interest. The conference committee is keen to ensure that novice, as well as experienced presenters, are included in the conference program.

The conference generally has two streams into which papers are grouped. The program will be arranged to provide both industry specific content as well as exploring issues that affect all professionals. Abstracts will be printed in the conference program and distribute to delegates at the conference.

Receipt of abstracts will be acknowledged by email – it is your responsibility to ensure your submission has been acknowledged.

All selected authors will be offered a discounted registration fee and are responsible for meeting all costs associated with attending the conference.

Timeline
