A fest of takeaway cafe activities including resources to take home & learn from industry leaders providing innovative Leisure & Lifestyle resources and activities!

DRTA's Takeaway CAFÉ sessions are a much loved and anticipated aspect of all DRTA workshops. We know the demand for more activity ideas is high on the list of those working in the field of leisure and health. This workshop will deliver just that!

We will work through our most popular Takeaway CAFÉ ideas from 2018 with practical, hands on experiences. We also have industry innovators demonstrating their particular activity resources that you can access for your programs.

The workshop will be abuzz with activities and education. You will find the Takeaway CAFÉ booklet of activities a great resource that you will keep referring to. Don't miss out on this excellent practical workshop! Stephania Bejma, DRTA National Education Coordinator, will guide the day giving hands-on experience of the activities and ideas – you can go back to your clients and confidently introduce the activities demonstrated
