

Access to Leisure Workshop NSW Sydney 6th February 2018

Skills and knowledge relevant to Diversional Therapy particularly working in the field of Disability, Mental Health and Rehabilitation (non aged care specific). Essential information for your continued professional development in a 1 day DTA workshop -jam-packed programme includes:

- **Psychological Needs in a Physiological World?** Addressing the mental and emotional needs of the people we work with.
- **Assistive Technology Australia-** Learn of the tools available to assist participation in recreation and leisure via this skype presentation
- **Expectation-**working towards rehabilitation for patients with traumatic Brain Injury
- **Sargood on Collaroy** – one year on. Using recreation to develop confidence and increase independence
- **And More....**

AND the DTA initiative that gives an opportunity to gain new activity ideas to “take away”-the **DTA Takeaway Cafe**. Contact Steph stephania@diversionaltherapy.org.au if you have an activity idea to share (earn 10 extra DTA Professional Development points – don’t miss out!). With opportunities to network, exchange ideas and *join Diversional Therapy Australia!*

Further Considerations:

Please note that it may be advisable to bring a light jacket to ensure your comfort during the workshop. Choosing to leave belongings unattended during break outs is at the individual's own risk. Check online for competitive deals for accommodation close by.

While correct at printing last minute changes to the program may take place due to circumstances beyond the control of the organisers.
