

# Perth CST Training Workshop

## 25<sup>th</sup> November 2017

Skills and knowledge essential for your professional development in a 1 day DRTA special workshop

## Cognitive Stimulation Therapy

*An evidence-based, drug-free treatment for people with mild to moderate dementia.*

*Leisure and Health/ Lifestyle/ DT staff and Private Consultants may hold the BEST skillset to deliver this research-proven program in community and residential settings.*

For this client group, CST has been shown to be as effective as cholinesterase inhibitors and is the ONLY nonpharmacological treatment accepted by NICE, (National Institute for Health and Care Excellence, UK)

Leisure and Health/Lifestyle/DRT staff may have the BEST skillset to deliver this research-proven program in community and residential settings. It is based on what we do every day – but in a more structured programme.

**Learn the RIGHT WAY to deliver CST to assist in re-enablement of care recipients with mild to moderate dementia. Start delivering CST programs in your facility or community setting!**

**Very limited spaces for this practical, interactive workshop.**

**DRTA quality, relevant Standard 3 Training!**
