About the Role

We are currently looking for an enthusiastic Lifestyle Coordinator who can coordinate activities that contribute to the wellbeing of our residents at Mildred Symons House, Jannali. In this rewarding role you will be responsible for conducting assessments of individual resident's social, emotional and intellectual needs by designing and implementing individualised leisure and lifestyle programs in a warm and happy environment.

Key Responsibilities (not limited to)

- Ensure residents receive appropriate assessments including their life history or story that will inform an integrated care plan;
- Ensure programs are developed to enrich the lives of individuals and their families through leisure, lifestyle, learning & spiritual activities;
- Coordinate the Lifestyle team to assist residents in creating a home like environment within their accommodation;
- Coordinating outings that allow the resident to stay in communication and have meaningful relationships within their chosen community in a safe and healthful way;
- Ensure volunteers are well coordinated and integrated into the team.

Skills, knowledge and experience needed

- Certificate IV in Leisure & Health and/ or relevant tertiary degree.
- Experience in leading a team implementing leisure and social event.
- Demonstrated understanding of Aged Care and associated accreditation requirements.
- Excellent communication skills.
- A commitment to the values of Anglicare.

Application are invite online via the following link:
