FURTHER CONSIDERATIONS:

- Following your registration and a few days out from the workshop you will be forwarded a meeting link including instructions on downloading the required platform. Please ensure that you have access to a computer/laptop/ tablet or phone with a microphone and camera to be able to participate fully. Participants may attend in groups to the workshop where applicable however all participants should be registered to attend.
- If you require assistance with setting up the technology then please contact DRTA.
- Paperwork including the run-sheet for the day with breaks will be forwarded before the virtual workshop begins- this can be printed or saved to your computer. An online evaluation will be sent to you following the workshop to get your feedback.
- PDF's of PowerPoint's and other handouts will also be forwarded before/after the workshop.
- DRTA National Education Coordinator, as the meeting facilitator will monitor the presentation sessions and participants may be muted/un-muted to ensure quality as the presentations will be recorded and edited for future access.
- Questions and comments will be encouraged through the day to enable discussions and networking opportunities.
- **While correct at printing, last minute changes to the program may take place, due to circumstances beyond the control of the organisers.**
